

# *The Prentice Family Mailer*

Monthly Feature: **SUMMER TIME**    **AUGUST 2005**    **VOLUME 23**

By Mike Prentice

## **Well,.... we did it.....Again**

**We pulled off our 2nd. "Prentice Reunion".**

**I think it was a great turnout with 98% of the family showing up.**

**I personally got to meet family that I have never seen before and family that I haven't seen for many years.**

**How about those meals? Everyone did a great job of bringing items to the table for all of us to enjoy.**

**I would like to thank Peggy for finding a great location, which was able to handle all of us with out too many problems. Clap,Clap,Clap**

**Did anyone else notice how fast the time went? I feel like we just arrived and than we had to leave. That's always the sad part.**

**For those of you that were too busy seeing the Doctor and didn't know that we (the elders) appointed brother George chairman of the next reunion and he came up with a great location for the " Prentice Reunion 2007", Buchanan Resort. (Copy Cat)**

**Now is he a hard worker or what?**

**He must have known what Peggy and I went through trying to find good locations on the Internet for the last two reunions. We had to wait for two years to find out if we made a mistake or not. Lucky for us both reunion locations turned out great.**

**Let's start saving and planning now!!!!!!!!!!!!!!**

**"We are going back for Prentice Reunion 2007"**

Tell me, isn't this a good looking crew ??

## LIFE BEFORE THE COMPUTER

Memory was something you lost with age  
A program was a TV show  
A cursor used profanity  
A keyboard was a piano  
A web was a spider's home  
A virus was the flu  
A CD was a bank account  
A hard drive was a long trip on the road  
A mouse pad was where a mouse lived  
And if you had a 3-1/2 inch floppy ?  
... you just hoped nobody ever found out

## I like this stuff

Two ducks walk into a bar. "Ouch"

Two fish swim into a concrete wall. "Dam"

Two Eskimos sitting in a kayak were chilly, so they lit a fire in the craft. Unsurprisingly it sank, proving once again that you can't have your "kayak and heat it too".

A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. "But why?" they asked, as they moved off. "Because", he said, "I can't stand chess-nuts boasting in an open foyer."

A woman has twins and gives them up for adoption. One of them goes to a family in Egypt and is named "Ahmal." The other goes to a family in Spain; they name him "Juan." Years later, Juan sends a picture of himself to his birth mother. Upon receiving the picture, she tells her husband that she wishes she also had a picture of Ahmal. Her husband responds, "They're twins! If you've seen Juan, you've seen Ahmal."

What's the difference between a southern zoo and a northern zoo? A southern zoo has a description of the animal on the front of the cage along with.. "A recipe".

Why is there no Disneyland in China? No one's tall enough to go on the good rides

What do you call a smart blonde? A golden retriever.

What's the difference between a new husband and a new dog? After a year, the dog is still excited to see you

Did you hear about the Chinese couple that had a retarded baby? They named him "Sum Ting Wong"

# The Inheritance

Still living at home and expecting to inherit a fortune when his sickly, widower father died, Robert decided he needed a woman to enjoy it with. So he went to a singles bar and he searched until he spotted a woman whose beauty took his breath away.

"Right now, I'm just an ordinary man," he said, walking up to her, "but within a month or two, my father will pass away and I'll inherit over \$20 million dollars." The woman went home with Robert that night. And four days later she became his stepmother.

**"Some men will never learn"**

## Just the facts

No piece of paper can be folded in half more than seven (7) times.

Donkeys kill more people annually than plane crashes.

You burn more calories sleeping than you do watching television.

Oak trees do not produce acorns until they are fifty (50) years of age or older.

The first product to have a bar code was Wrigley's gum.

Venus is the only planet that rotates clockwise.  
(Since Venus is normally associated with women what does this tell you!)

Apples, not caffeine, are more efficient at waking you up in the morning.

Most dust particles in your house are made from dead skin. (yuck)

The first owner of the Marlboro Company died of lung cancer. So did the first "Marlboro Man."

Walt Disney was afraid of mice.

Dentists have recommended that a toothbrush be kept at least six (6) feet away from a toilet to avoid airborne particles resulting from the flush. (I keep my toothbrush in the living room now!)

Richard Millhouse Nixon was the first U.S. president whose name contains all the letters from the word "criminal." The second person ?? William Jefferson Clinton (Please don't tell me you're SURPRISED!?!)

And finally, there was the person who sent ten different puns to friends, with the hope that at least one of the puns would make them laugh. "No pun in ten did."

## UNDERSTANDING WOMEN

(A MAN'S PERSPECTIVE)

I know I'm not going to understand women.

I'll never understand how you can take boiling hot wax pour it onto your upper thigh, rip the hair out by the root, and still be afraid of a spider.

## How about sending me some information?

Did you go to fishing and have a great time?

Did you take the kids to Disney?

Did you paint, remodel or move?

Are you new parents or grandparents?

Send anything that I can put in the "Prentice Mailer."

I started the "Prentice Mailer" to help inform everyone on what is going on around the country with our family members. So lets send some items that I can add each month so that I am not just putting in stuff that you may not find interesting.

Just send it to me with the subject of "Prentice Mailer".
