**12-05 Todd Bertelson**

**12-11 Leanne Schmidt**

**12-14 Linda Prentice**

**12-21 Destiney Prentice**

**12-25 Christmas**

**The sole purpose of a child's middle name is so he can tell when he's really in trouble.**

By Mark Clinton Prentice

**When you are making out your Holiday card list this year, please include the following:**

**A Recovering American Soldier  
c/o Walter Reed Army Medical Center  
6900 Georgia Avenue,NW  
Washington,D.C. 20307-5001**

What is being unloaded from the aircraft?

Its a hard disk in 1956....

The Volume and Size of 5MB memory storage in 1956.

In September 1956 IBM launched the 305 RAMAC, the first computer with a hard disk drive (HDD). The HDD weighed over a ton and stored 5MB of data.

Makes you appreciate your 4 GB USB drive, doesn't it?

**A penny saved is a government oversight.**

By Bill Clinton Prentice

Did you ever notice: When you put the 2 words "The" and "IRS" , together it spells **"Theirs"**.

---

Hi everyone, hope your Thanksgiving was a nice one. I just wanted to let everyone know what is happening on our side of the house. Rene and her husband Martin (we of coarse use the Boston brogue and call him Mahtin) who just got back fro Iraq came to visit us for 2 weeks. We had a great time and took a lot of day trips. It was so good to have them with us. We watched all 4 games of the World Series together The last 2 games were in Mystic CN at the bar. Complete with RedSox towels that we waved, Rene' and I were the official RedSox cheering team!!- We had nearly the whole bar cheering "*LETS GO REDSOX - LETS GO*"

Chris had an appendicitis attack last month and had to have it removed. Marla and Aaron were on the next flight out! He has recovered. While she was there Marla was accepted for a position. By the time this is "published" Marla and Aaron will have joined Chris, Brandon and Jason in Arizona. She their house is till on the market so good thoughts from everyone that they sell it quickly!

### *An elderly gentleman...*

Had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100%.

The elderly gentleman went back in a month to the doctor and the doctor said, 'Your hearing is perfect. Your family must be really pleased that you can hear again.'

The gentleman replied, 'Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!'

**The real art of conversation is not only to say the right thing at the right time, but also to leave unsaid the wrong thing at the tempting moment.**

By Whosaidthat Prentice

**Two elderly gentlemen from a retirement center were sitting on a bench under a tree when one turns to the other and says: 'Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?'**

**Slim says, 'I feel just like a newborn baby.'**

**'Really!? Like a newborn baby!?!'**

**'Yep. No hair, no teeth, and I think I just wet my pants.'**

**The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.**

By Tons Prentice

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen.

The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great. I would recommend it very highly.'

The other man said, 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What is the name of that flower you give to someone you love?'

~~You know... The one that's red and has thorns.'~~

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'

---

## The only reason I open my mouth is to change feet. By Mike Prentice

---

Hospital regulations require a wheel chair for patients being discharged. However, while working as a student nurse, I found one elderly gentleman already dressed and sitting on the bed with a suitcase at his feet, who insisted he didn't need my help to leave the hospital.

After a chat about rules being rules, he reluctantly let me wheel him to the elevator. On the way down I asked him if his wife was meeting him.

'I don't know,' he said. 'She's still upstairs in the bathroom changing out of her hospital gown.'

## The easiest way to find something lost around the house is to buy a replacement.

By Whereismyremote Prentice

Couple in their nineties are both having problems remembering things. During a checkup, the doctor tells them that they're physically okay, but they might want to start writing things down to help them remember. Later that night, while watching TV, the old man gets up from his chair. 'Want anything while I'm in the kitchen?' he asks.

'Will you get me a bowl of ice cream?'

'Sure.'

'Don't you think you should write it down so you can remember it?' she asks.

'No, I can remember it.'

'Well, I'd like some strawberries on top, too. Maybe you should write it down, so's not to

forget it?'

He says, 'I can remember that. You want a bowl of ice cream with strawberries.'

'I'd also like whipped cream. I'm certain you'll forget that, write it down?' she asks.

Irritated, he says, 'I don't need to write it down, I can remember it! Ice cream with strawberries and whipped cream - I got it, for goodness sake!'

Then he toddles into the kitchen. After about 20 minutes,

The old man returns from the kitchen and hands his wife a plate of bacon and eggs. She stares at the plate for a moment.

'Where's my toast?'

**There's always a lot to be thankful for if you take time to look for it. For example I am sitting here thinking how nice it is that wrinkles don't hurt.**

**By Ironmyface Prentice**

**A senior citizen said to his eighty-year old buddy:**

**'So I hear you're getting married?'**

**'Yep!'**

**'Do I know her?'**

**'Nope!'**

**'This woman, is she good looking?'**

'Not really.'

'Is she a good cook?'

'Naw, she can't cook too well.'

'Does she have lots of money?'

'Nope! Poor as a church mouse.'

'Well, then, is she good in bed?'

'I don't know.'

'Why in the world do you want to marry her then ?'

'Because she can still drive!'

**Did you ever notice: The Roman Numerals for 40 are " XL." By Itdon'tfit Prentice**

A man was telling his neighbor, 'I just bought a new hearing aid. It cost me four thousand dollars , but it's state of the art. It's perfect.'

'Really,' answered the neighbor . 'What kind is it?'

'Twelve thirty.'

**What did the Penguin say when he walked into the bar ?**

**“Ouch”**

**Morris, an 82 year-old man, went to the doctor to get a physical.**

**A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.**

**A couple of days later, the doctor spoke to Morris and said, 'You're really doing great, aren't you?'**

**Morris replied, 'Just doing what you said, Doc: 'Get a hot mamma and be cheerful.'"**

**The doctor said, 'I didn't say that. I said, 'You've got a heart murmur; be careful.'**

**A little old man shuffled slowly into an ice cream parlor and pulled himself slowly, painfully, up onto a stool.. After catching his breath, he ordered a banana split.**

**The waitress asked kindly, 'Crushed nuts?'**

**'No,' he replied, 'Arthritis.'**

## He who hesitates gets rear-ended.

By Ouchithurts Prentice

A sweet grandmother telephoned St. Joseph's Hospital. She timidly asked, "Is it possible to speak to someone who can tell me how a patient is doing?"

The operator said "I'll be glad to help, dear. What's the name and room number?"

The grandmother in her weak tremulous voice said, "Norma Findlay, Room 302."

The operator replied, "Let me place you on hold while I check with her nurse." After a few minutes the operator returned to the phone, "Oh, good news. Her nurse has told me that Norma is doing very well. Her blood pressure is fine; her blood work just came back as normal and her physician, Dr. Cohen, has scheduled her to be discharged Tuesday."

The grandmother said, "Thank you. That's wonderful! I was so worried! God bless you for the good news."

The operator replied, "You're more than welcome. Is Norma your daughter?"

The grandmother said, "No, I'm Norma Findlay in 302. No one tells me anything."

### Flat Tire

A blonde's car gets a flat tire on the Interstate one day, so she eases it over onto the shoulder of the road. She carefully steps out of the car and opens the trunk. She takes out two cardboard men, unfolds them, and stands them at the rear of the vehicle facing oncoming traffic.

The lifelike cardboard men are in trench coats exposing their nude bodies to approaching drivers... Not surprisingly, the traffic became snarled and backed up. It wasn't very long before a police car arrives.

The Officer, clearly enraged, approaches the blond of the disabled

vehicle yelling, 'What is going on here?'

'My car broke down, Officer' says the woman, calmly.

'Well, what the hell are these obscene cardboard pictures doing here by the road?' asks the Officer.

'Hellllloooooo,' she replied, 'those are my emergency flashers!'

## **PHONE REPAIR**

**A Kansas farm wife called the local phone company to report her telephone failed to ring when her friends called - and that on the few occasions, when it did ring, her dog always moaned right before the phone rang.**

**The telephone repairman proceeded to the scene, curious to see this psychic dog or senile lady. He climbed a telephone pole, hooked in his test set, and dialed the subscriber's house.**

**The phone didn't ring right away, but then the dog moaned and the telephone began to ring.**

**Climbing down from the pole, the telephone repairman found:**

- 1. The dog was tied to the telephone system's ground wire with a steel chain and collar.**
- 2. The wire connection to the ground rod was loose ..**
- 3. The dog was receiving 90 volts of signaling current when the number was called.**
- 4. After a couple of jolts, the dog would start moaning and then urinate.**
- 5. The wet ground would complete the circuit, thus causing the phone to ring.**

**Which demonstrates that some problems CAN be fixed by pissing and moaning.**

**Thought you'd like to know.**

---

I was depressed last night so I called Lifeline.

I got a call center in Pakistan.

I told them I was suicidal.

They got all excited and asked if I could fly a plane or drive a truck!!!
