A note from Linda

I would like to thank everyone for their kind thoughts concerning my family. My oldest sister's husband passed away after fighting an illness. I was able to visit my mother in the nursing home while home for the funeral. She is doing quite well for a mere 88 years of age. My youngest sister had surgery while I was home, a tumor the size of a cantaloupe, but thankfully was benign. It was a busy week, but one of my perks was visiting Mark and Dixie at their home. We had a nice visit and I was able to meet their cat "Big Daddy" who was quite entertaining running around the living room, like we wished we could do. They are very fortunate to be in such a nice home, in a nice neighborhood.

Another one of my perks was running into (almost literally) Dawn II, Melissa and Taylor in the Swedish American Hospital parking lot. What a surprise for all of us. They were on their way to visit George and Esther's new great granddaughter (Oh My).

Thank you again for all your thoughts and prayers, you're a great family.

My Second Wife

A man and his wife are dining at a table in a plush restaurant, and the husband keeps staring at an old drunken lady swigging her gin as she sits alone at a nearby table, until the wife asks, "Do you know her?"

"Yes," sighs the husband, "She's my ex-wife. She took to drinking right after we divorced seven years ago, and I hear she hasn't been sober since."

"My God!", says the wife, "Who would think a person could go on celebrating that long?"

News From Rock City, Illinois. Summer of 2006

Wow...we have a lot going on this summer!!

The BIGgest news is the birth of our granddaughter, (George & Esther's Great-Granddaughter) **Riley Reign Reynolds**. Riley was born on June 14, 2006, 5:47 pm. She weighed 8 lbs., 12.4 oz., and was 20.25 inches long. Parents are Amber and Phil Reynolds. Amber is Dawn & Todd Bertelsen's oldest daughter. The Reynolds' family is doing well and adjusting to their life with a new baby in the house.

Uncle David & Aunt Olivia are very proud, and I believe that Uncle David is genuinely in love with his new niece. He fed, burped and diapered her last week.

Speaking of David...he has big news too!

David is in his first year with the Dakota Marching Indians. The Dakota Marching Indians are a Class A Marching Band based in Dakota, IL, and are made up of members from Dakota and surrounding schools. The DMI is performing in their 35th consecutive year of competition. Last year, they were undefeated in their class. (Competition has just begun for this year.) They historically travel through the United States and Canada entertaining audiences, carrying on a long tradition of excellence.

This year, the DMI are proud to present the music of the Broadway production "Rent". They are beginning their road tour this year on July 1st, and will be traveling to New York City, returning home on July 10th and ending the season with the championship competition on July 15th. The tour will take them through many stops along the way, including 3 parades in the Chicagoland area on July 4th. After they leave Chicago, they will head to Niagara Falls, visit the Statue of Liberty, Empire State Building and take in a performance of "Rent" on Broadway.

David is playing the bass drum, making new friends, and having a wonderful experience. Todd & I have never been to the places that he will be visiting this summer. Traveling with the DMI is a “working vacation”, and he is loving every minute of it. We are very excited and proud to be able to provide this opportunity for David.

This is last year's DMI....(we have not taken any formal pictures yet this year.)

Olivia attended Girl Scout Camp in Hanover, IL the last week of June. The theme of her camp was “In the Spotlight” and she was learning about theater, in addition to the usual camp activities. Everyone who knows “Miss Olivia” knows that she was born for drama (and/or comedy). She returns on Friday, June 30th.

Todd, being the Boy Scout leader of our local troop, was also at Camp the last week of June. He supervised his scouts at Boy Scout camp in Apple River Canyon, IL. He returned home for his yearly “Bleacher Bum” *Chicago Cubs* game on Thursday, went back to camp, returning with the scouts on Saturday, July 1st.

Uncle Patrick is driving up for Gordy Prentice's wedding on July 15th, and we are very excited that he is going to stop in “The Rock” on July 12th. We plan to take him to The Tap for supper, and hope to have a fire in the back yard with S'mores and beverages that evening. Peggy and Mike will also be traveling to the area for the wedding, and we are looking forward to seeing them at George's on the 14th.

The annual “A Day in Rock City” is also on July 15th this year. This is the largest one day festival in the state of Illinois. Dawn is busy planning the parade, and Todd is in charge of the 50/50 drawing and will be supervising the Boy Scouts, who will be providing the children's games. The day concludes with a street dance and fireworks show.

That's about it from our “neck of the woods”.....

Well, it's not a midlife crisis, but here's how things worked out for me. Married 32 years, took a look at my wife one day and said, "Honey, 32 years ago, we had a cheap apartment, a cheap car, slept on a sofa bed and watched a 10 inch black and white TV, but I got to sleep every night with a hot 20 year old. Now, we have a nice house, nice car, big bed and plasma screen TV, but I'm sleeping with a 52 year old woman. It seems to me that you are not holding up your side of things."

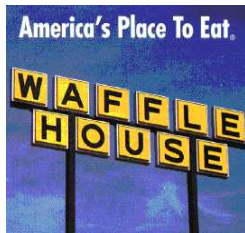

My wife is a very reasonable woman. She told me to go out and find a hot 20 year old blond to sleep with, and she would make sure that I would once again be living in a cheap apartment, driving a cheap car, sleeping on a sofa bed, and not have anything nicer than a 10 inch black and white TV ....
