HOW TO INSTALL A HOME SECURITY SYSTEM

1. Go to a second-hand store and buy a pair of men's used size 14-16 work boots.
2. Place them on your front porch, along with several empty beer cans, a copy of Guns & Ammo magazine and several NRA magazines.
3. Put a few giant dog dishes next to the boots and magazine.
4. Leave a note on your door that reads: Hey Bubba, Big Jim, Duke and Slim, I went to the gun shop for more ammunition. Back in an hour. Don't mess with the pit bulls -- they attacked the mailman this morning and messed him up real bad. I don't think Killer took part in it but it was hard to tell from all the blood. PS - I locked all four of 'em in the house. Better wait outside.

Where do you find a dog with no legs?

Right where you left it.

As most of you know Brother George was hospitalized a few weeks ago with stomach problems and ended up having surgery because of a ruptured appendix. Well, after a few scary days for Esther and the rest of the family, he improved day by day. I think one of the main reason he pushed himself, was so that he could make the 3rd annual "Prentice Brothers Fishing Trip" And he did just that.

We all babied him all week in Wisconsin like any good nurse would do. We served him food and soft drinks. We had to wake him up because all he wanted to do was sleep.

When he fished I would bait his hook and row him around the lake and he would just sit there and hold the pole.

When the water got choppy we would bring him in so that it would not jar his stomach. All in all it was a good trip and we are so glad to see him improve. Also I think Patrick caught a musky.

ONLY IN AMERICA:

Only in America.....do drugstores make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front.

Only in America.....do people order double cheeseburgers, large fries, and a diet coke. !

Only in America.....do banks leave both doors open and then chain the pens to the counters.

Only in America.....do we leave cars worth thousands of dollars in the driveway and put our useless junk in the garage.

Only in America.....do we buy hot dogs in packages of ten and buns in packages of eight.

Only in America.....do we use the word 'politics' to describe the process so well: 'Poli' in Latin meaning 'many' and 'tics' meaning 'bloodsucking creatures'.

Only in America.....do they have drive-up ATM machines with Braille lettering.

WHY???

Why the sun lightens our hair, but darkens our skin?

Why women can't put on mascara with their mouth closed?

Why don't you ever see the headline "Psychic Wins Lottery"?

Why is the man who invests all your money called a broker?

Why is the time of day with the slowest traffic called rush hour?

Why isn't there mouse-flavored cat food?

Why didn't Noah swat those two mosquitoes?

Why don't sheep shrink when it rains?

Why are they called apartments when they are all stuck together?

If con is the opposite of pro, is Congress the opposite of progress?

If flying is so safe, why do they call the airport the terminal?

Resolving to surprise her husband, an executive's wife stopped by his office.

When she opened the door, she found him with his secretary sitting in his lap.

Without hesitating, he dictated, "...and in conclusion, gentlemen, budget cuts or no budget cuts, I cannot continue to operate this office with just one chair."

The Painting

Mrs. Prentice decided to have her own portrait painted by a well-known artist.

She told the artist, "Paint me with three-carat diamond earrings, a large diamond necklace, glimmering emerald bracelets, and a beautiful, red ruby pendant."

"But ma'am, you are not wearing any of those things."

"I know," said Mrs. Prentice. "My health is not good and my husband is having an affair with his secretary. When I die I'm sure he will marry her, and I want her to go nuts looking for the jewelry."

Children's Science Exam

If you need a laugh, then read through these Children's Science Exam Answers.

Q: Name the four seasons.

A: Salt, pepper, mustard and vinegar.

Q: Explain one of the processes by which water can be made safe to drink.

A: Flirtation makes water safe to drink because it removes large pollutants like grit, sand, dead sheep and canoeists.

Q: How is dew formed?

A: The sun shines down on the leaves and makes them perspire.

Q: How can you delay milk turning sour? (Brilliant, love this!)

A: Keep it in the cow.

Q: What causes the tides in the oceans?

A: The tides are a fight between the Earth and the Moon. All water tends to flow towards the moon, because there is no water on the moon, and nature hates a vacuum. I forget where the sun joins in this fight.

Q: What are steroids?

A: Things for keeping carpets still on the stairs.

Q: What happens to your body as you age?

A: When you get old, so do your bowels and you get intercontinental?

Q: What happens to a boy when he reaches puberty?

A: He says good-bye to his boyhood and looks forward to his adultery.

Q: Name a major disease associated with cigarettes

A: Premature death.

Q: How are the main parts of the body categorized?(e.g., abdomen.)

A: The body is consisted into three parts - the brainium, the

borax and the abdominal cavity. The brainium contains the brain; the borax contains the heart and lungs, and the abdominal cavity contains the five bowels, A, E, I, O, and U.

Q: What is the fibula?

A: A small lie.

Q: What does "varicose" mean? (I do love this one...)

A: Nearby.

A few days before his proctological exam, a one eyed man accidentally swallowed his glass eye. He was worried for a while, but there were no ill effects, so he forgot about it.

Once he was in the doctor's office, the man followed instructions, undressed, and bent over. The first thing the proctologist saw when he looked up the man's arse was that eye staring right back at him. "You know, " said the doctor, "you really have to learn to trust me."

Many will recall that on July 8, 1947, witnesses claim an unidentified object with five aliens aboard crashed on a sheep and cattle ranch just outside Roswell, New Mexico. This is a well-known incident that many say has long been covered up by the US Air Force and the federal government.

However, you may well NOT know that in the month of March 1948, exactly nine months after that historic day, Albert Arnold Gore, Jr., Hillary Rodham; John F. Kerry; William Jefferson Clinton; Howard Dean; were born.

This clears things up a lot!

It was a really hot day and Mark decided he would go buy a coke. He went to the coke machine and when he put his money in, a coke came out - so he kept putting money in.

And since it was such a hot day, a line had formed behind him. Finally, a guy on line said, "Will you hurry up? We're all hot and thirsty!"

Mark said, "No way. I'm still winning!"

Linda wants to thank everyone for their kind words on her Mothers passing and for the family support she received while she was in Rockford.

Does it pay to tell the truth

Jack decided to go skiing with his buddy, Bob. So they loaded up Jack's minivan and headed north. After driving for a few hours, they got caught in a terrible blizzard. So they pulled into a nearby farm and asked the attractive lady who answered the door if they could spend the night.

"I realize it's terrible weather out there and I have this huge house all to myself, but I'm recently widowed," she explained. "I'm afraid the neighbors will talk if I let you stay in my house"

"Don't worry," Jack said. "We'll be happy to sleep in the barn. And if the weather breaks, we'll be gone at first light." The lady agreed, and the two men found their way to the barn and settled in for the night.

Come morning, the weather had cleared, and they got on their way. They enjoyed a great weekend of skiing.

But about nine months later, Jack got an unexpected letter from an attorney. It took him a few minutes to figure it out, but he finally determined that it was from the attorney of that attractive widow he had met on the ski weekend.

He dropped in on his friend Bob and asked, "Bob, do you remember that good-looking widow from the farm we stayed at on our ski holiday up north about 9 months ago?"

"Yes, I do." said Bob

"Did you happen to get up in the middle of the night, go up to the house and pay her a visit?"

"Well, um, yes," Bob said, a little embarrassed about being found out "I have to admit that I did."

"And did you happen to use my name instead of telling her your name?"

Bob's face turned beet red and he said, "Yeah, look, I'm sorry, buddy.

I'm afraid I did." Why do you ask?"

She just died and left me everything."

(And you thought the ending would be different, didn't you?)

This pretty much says it all!??

What do you call a blind dinosaur?

Do-you-think-he-saur-us.

A Canadian is walking down the street with a case of beer under his arm. His friend Jim stops him and asks, "Hey Frank! Whacha get the case of beer for?" "I got it for my wife, eh." answers Frank. "Oh!" exclaims Jim, "Good trade."

I saved this for last because Patrick would be looking for it. Patrick caught a real nice Musky, 38 inches and it's still growing. We will put the pictures up on the website. Good job Patrick!!!!

Don't forget to send George any pictures or news on what's happening with your family. We got it started, now it's up to everybody to contribute to it and make it work.
